

Rent Stabilization Board

DATE: May 15, 2017

TO: Honorable Members of the Berkeley Rent Stabilization Board

FROM: Chair Selawsky and Vice-Chair Laverde-Levine

SUBJECT: Commissioner Murphy's absences due to family emergencies

RECOMMENDATION:

Commissioner Murphy missed our March 20th Board meeting and the March 22nd Eviction/Section 8/Foreclosure Committee meeting due to a family emergency. Given the circumstances, staff did not process any stipend deductions for these absences. However, only a vote of the Board can sanction this action, so we are proposing that the Board forgive the above-mentioned absences as well as Commissioner Murphy's absence from the May 5th 4 x 4 Joint Committee Meeting due to a family emergency.

Thank you for your consideration of this matter.
