

To: Rent Stabilization Board Commissioners

From: Commissioner Alejandro Soto-Vigil and Chair Selawsky

Date: February 6, 2017

Subject: Meeting Excusal and Stipend Reimbursement

Recommendation:

That the Board excuse my absence and reinstate my pay for missing the January 12, 2017 Resilience and Sustainability Committee.

Background:

I recently was hired by Mayor Jesse Arreguin to join his Mayoral office. During the month of January, our office has been in the process of transitioning. On January 12th a major transition meeting lasted several more hours than expected. In fact, the one hour meeting lasted four hours. The length of this transition meeting was unexpected but necessary. When I knew that I would be unable to make the RSC meeting, I immediately informed committee Chair Jesse Townley so that he could make the necessary adjustment.
